**2 YEAR WARRANTY\***

**NEW!**

**DUAL PURPOSE**  
NON CONDUCTIVE SHACKLE  
**COMBINES**  
THE STRENGTH OF  
STAINLESS STEEL  
&  
DI-ELECTRIC PROPERTIES  
OF NYLON

**Suitable for Mechanical  
& Electrical LOTO**

**1**  
Key system is molded on padlock body & laser engraved on key. Visible key system allows user to initiate immediate action for lost or misplaced keys.

**2**  
Key Number permanently lasered on padlock body and on key, permits quick traceability of Key to Padlock.

High security dimple key design prevents key replication. Smooth entry and exit access. Key retaining facility prevents key loss.

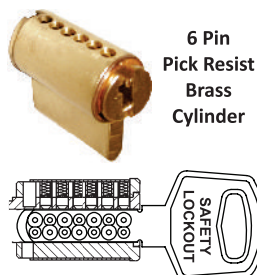

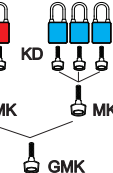

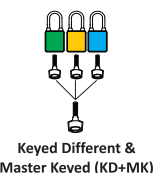

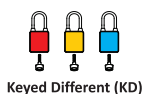

**Insulated shock proof key jacket**

**3**  
Color coded key jackets reduces downtime identifying keys to different color padlocks. Keys can be stocked by color code enabling quick access from Key Cabinets.

**Weather Resistant Features**  
BODY-GARD bushes and Key Hole Cover resists dust, grime, moisture and erosive grit ingress into padlock body. Enhances padlock life

**NON SPARK BODY & SHACKLE**

Red, Blue, Yellow, Green, Orange, Black, Purple, White.
